STS HAZAK SENIORS
are very pleased to welcome

Henry Samuels
Harmonica player extraordinaire

SUNDAY, March 21, 2010
10:30 A.M.

Henry, originally from Manchester, England, talking furiously, his English clipping along at a jockey's pace, chromatic harmonica in hand, harmonica sounds you wouldn't believe will be created before you. That is what you can expect at this HAZAK meeting.

With appearances with Julie Andrews, Judy Garland, Frankie Lane, Billie Daniels, Peter Sellers, to name a few stars, Henry is a true professional.

*I did not know
harmonicas came
so large.*

*Did you ever see
such a small
harmonica?*

*As a kid did
you own a
diatonic harmonica?*

*What is a
chromatic
harmonica?*

*I liked Larry Adler,
Larry Adler
was one of
Henry's heroes!*

No cost to STS HAZAK Members
\$3 to Others.
